*Any tickets remaining unsold after the closing of each rank’s ordering window will go on sale to ALL ranks beginning Monday, June 16th at 4:00pm EDT. Once that supply of tickets is exhausted, students may add themselves to the ticket waitlist by following the instructions included later in this document. Please note that waiting list requests will only be accepted for the home game ticket packages and ONLY after the supply of tickets during the all-rank sale has been exhausted.

STUDENT RANKS: Student ranks used for designating ordering windows and for seat assignments are determined by the number of credit hours completed for undergraduate and graduate students, or terms completed for professional students.

**Undergraduate/Graduate Students:**
- Rank 1 – Completed 0-30 credit hours of coursework at OSU as of the end of Spring Semester 2014
- Rank 2 – Completed 30.5-60 credit hours of coursework at OSU as of the end of Spring Semester 2014
- Rank 3 – Completed 60.5-90 credit hours of coursework at OSU as of the end of Spring Semester 2014
- Rank 4 – Completed 90.5 credit hours or more of coursework at OSU as of the end of Spring Semester 2014

**Professional Students:**
- Professional student class rankings are determined by each individual college. If you have questions, please contact your college.

Additionally, graduate and professional students will maintain the highest rank attained as an undergraduate student if that undergraduate work was completed at The Ohio State University, and that rank is higher than their current rank in their graduate or professional program.

If you have questions regarding your class rank, please contact your academic advisor.

ELIGIBILITY: Students must be enrolled as a full-time student for the autumn semester with all fees and tuition paid to be eligible to pick up student season tickets. If your program is not listed below (i.e. GAA, GRA, GTA), full time status varies depending on the program/appointment with the University. Please see your program coordinator/academic advisor for more information regarding your specific program.

**The definition of a full-time student is:**
- Undergraduate: 12 hours or more
- Master, Doctoral Candidate and Graduate Professional: 8 hours or more
- Post Doctoral (Post Candidacy): 3 hours

- Students who are graduating at the end of the autumn semester and do not meet the full time student status requirement may still receive a season ticket by providing documentation at the time of pickup from their respective college advisor on department letterhead stipulating that the reason this student is not full time is that they will be graduating at the end of the autumn semester.
Many programs at Ohio State include an internship as part of their curriculum. If you are doing an internship during the autumn semester you still have to be registered as a full time student to be eligible for student football tickets. If you have any questions regarding your specific internship please contact the OSU Ticket Office.

Please Note: You may lose your ticket privileges if you have engaged in conduct that is determined, by either OSU or the NCAA, to be in violation of any NCAA rule or if, in OSU's reasonable discretion, you have otherwise taken any action that jeopardizes the eligibility of OSU's programs or its student-athletes.

Students wishing to be seated in a group will have the opportunity to add Guest Tickets to their group during the group seating process.

- Subject to availability, the ordering period for Guest Tickets will begin at 4:00pm on Wednesday, June 18th, 2014 and end at 12:00pm on Friday, June 20th, 2014 or until inventory in the student sections is exhausted.
- Students will follow a process similar to the one used to purchase their original ticket package, reusing the password provided for their original purchase.

UPGRADES: Fans using an Ohio State University Student Football ticket for admittance to any home football game will be required to show a valid autumn semester BUCK ID or OSU Dependent Spouse ID at the gates for admittance. To obtain a ticket which does not require a BUCK ID for entry, the student ticket must be upgraded to the public price, in person only, at the OSU Athletic Ticket Office in the southeast corner of the Schottenstein Center.

Single game upgrades will be available beginning **Monday, August 18, 2014.** Upgrades will be facilitated during normal business hours only; upgrades will NOT be done the day of any game – No exceptions. Only the original student ticket purchaser may upgrade their student ticket by presenting their ticket along with their valid OSU BUCK ID at the Athletic Ticket Office. Please Note: With premier game pricing, upgrades for the premier games (Virginia Tech & Michigan) will be more expensive than upgrades for regular priced games.

*In addition to paying the difference between the public and discounted price* listed below, the following per-ticket service charges will also be assessed. The fee structure for upgraded student tickets will be on a graduated scale based on how many games a ticket holder has upgraded for the season.

BLOCK O tickets are not upgradeable. Upgrades will not be done the day of any game - NO EXCEPTIONS. Once tickets have been upgraded, they cannot be reduced back to the student price.

GROUP SEATING: Online window open: Monday, June 30th through Tuesday, July 15th
You must first complete your ticket purchase before you are able to submit your request for group seating.

Students who have purchased reserved seating and wish to be seated with other students should follow the instructions below to complete the group seating process. The group seating window will be open from Monday, June 30 at 9:00am to Tuesday, July 15 at 4:30pm. The group seating window will be available only for home games (for away games, students who wish to sit together must pick up their tickets at the same time).

Students who have purchased seating in Block “O” will not be able to facilitate group seating for their tickets as Block “O” is a general admission first-come, first-served seating area. Students wishing to sit in a group in Block “O” must all purchase Block O tickets and arrive at the game at the same time to sit together.

As a reminder, student seating is allocated based on the lowest class rank in the group. Class ranks used are the class ranks as of the end of Spring Semester 2014, and are defined by the University as the following:

Undergraduate/Graduate Students:
- Rank 1 – Completed 0-30 credit hours of coursework at OSU as of the end of Spring Semester 2014
- Rank 2 – Completed 30.5-60 credit hours of coursework at OSU as of the end of Spring Semester 2014
- Rank 3 – Completed 60.5-90 credit hours of coursework at OSU as of the end of Spring Semester 2014
- Rank 4 – Completed 90.5 credit hours or more of coursework at OSU as of the end of Spring Semester 2014

Professional Students:
- Professional student class rankings are determined by each individual college. If you have questions, please contact your college.

Additionally, graduate and professional students will maintain the highest rank attained as an undergraduate student if that undergraduate work was completed at The Ohio State University, and that rank is higher than their current rank in their graduate or professional program.

Each group should designate a group leader who will create the group and inform all desired members of the group name and password. The group leader may limit which class rank(s) may join his/her group. For example, if a group of rank 4’s wishes to remain as such, the system will not allow students of any other rank to join their group. The group leader defines this restriction during the Group Creation process. Groups have a maximum of 100 members. Requests for multiple groups to be seated together cannot be honored.

If adjustments to your group seating selection need to be facilitated after you have joined a group, each student must edit his/her own order by following the steps below. Changes to groups may only be made while the group seating window is open. Group changes will not be possible after the group seating window is closed on Tuesday, July 15 at 4:30pm. No exceptions.

Step by Step instructions for creating, joining, and editing student seating groups are located on page 8.

SEAT ASSIGNMENTS:
• All student seats for non-conference games will be located in the south end zone, with the exception of Block “O” North. Student seats for the Big Ten conference games will be located in the north and south end zones. See the last page of this document for a seating diagram.
• Class ranks used for seat assignments are the OSU class ranks as of the end of Spring Semester 2014, and are defined as previously mentioned above.
• As a reminder, seating for students electing to be grouped with other students is assigned based on the member of the group with the lowest class rank.
• Students who order the full season package may request to be grouped with students who order the Big Ten Conference package.
• Students who order the full season package may be assigned one seat location for the non-conference games and a different seat location for the conference games.
• Seats will be filled starting with the lowest available deck, at the best yard line location, until that deck is filled. We will proceed to the next available deck, at the best yard line location, until that deck is filled and so on.

**TICKET PICK UP:**
• Student tickets are not mailed; every student must pick up his/her own ticket.
• Student tickets will be available for pick-up starting Wednesday, August 13th, 2014.
• Students must present a valid OSU BUCK ID for the autumn semester, be enrolled full-time for autumn semester, and have their autumn semester fees and tuition paid in full to be eligible to pick up their student ticket package(s).
• Students are encouraged to view their statement of account with the University on www.buckeyelink.osu.edu prior to coming to the Ticket Office for ticket pick up to verify if their fees and tuition have been paid.
• Tuition Option Payment Plan (TOPP) – Students who have enrolled in TOPP must have made their first installment payment prior to pick-up of their student ticket package. The student should identify themselves as being on the TOPP plan at time of pick-up.
• Married student tickets may only be picked up by the student under whose account the tickets were purchased. The student’s spouse need not be present at time of pickup as long as the student picking up the tickets has his/her own BUCK ID and their spouse’s OSU Dependent ID (which may be purchased at the Buck ID Office). If the student’s spouse is a current OSU student, faculty, or staff member, the student must show his/her own BUCK ID, their spouse’s valid OSU ID, and their marriage certificate for ticket pick-up. **Students must be married at the time of pick-up in order to receive both sets of tickets.**
• Away Game Ticket Pick-up: Students who purchased away game tickets through the student allotment will receive an e-mail closer to each away game providing them with further details regarding away game ticket pick-up.

**REFUNDS:**
• Students who are not enrolled full time autumn semester (as defined by University guidelines) may request a refund. Please note that all service charges and/or processing fees are NON-REFUNDABLE.
• Requests for refund will be accepted via hand-written request or e-mail from the original ticket holder’s OSU e-mail account, as long as it is received prior to the deadline. The refund request should include the full name, phone number, OSU e-mail address and the item(s) requested to be refunded.
• Refund requests must be received in the OSU Athletic Ticket Office by the indicated deadlines to be considered:
  - Refund request deadline for Full Season student ticket package: August 22, 2014

  - Refund request deadline for away games: August 22, 2014
• **NO REFUNDS WILL BE GRANTED AFTER THE DEADLINE(S).**

**WAITING LIST PROCESS:**
The student football ticket waiting list is only to be used for those students who meet one of the below criteria:

1. A student who was not able to procure tickets during their appropriate ordering window nor during the all ranks sale.
2. A specific student ticket package (full season or Big Ten Conference) is sold out and the student wishes to switch their order to that package.
3. Block O seating is sold out and a student wants to switch from reserved seating to Block O (or vice-versa).
4. A package is sold out and a married student forgot to purchase an additional ticket for their spouse/partner.

**IMPORTANT** - All waitlist requests must be submitted online through the Ohio State Student Ticket Account Manager site accessible at www.ohiostatebuckeyes.com/tickets.
